The more updated game (as of 2018) available is by SCOPELY. Contents. Description. Join Bugs Bunny and build the greatest Toon Team" to wage wacky battles for control of the Looney Tunes World. Build your own Looney Tunes World, collect your favorite characters, and discover their unique and hilarious fighting abilities. Want to drop an ACME safe on Daffy's head? Now we can! The game play is actually a combination of collection as well as fights/battles.

The world you have access to unlocks level by level. You get to build houses & place them based on the characters you unlock (for example, you cannot build the Foghorn Shack until you unlock the Farm area as well as Foghorn Leghorn as a character). Each area generally has a similar amount of characters in it, but each version is based on the cartoon set in that area. For example, in the City, Yosemite Sam is Mr. Sam the unscrupulous banker.

but Yosemite is still available as himself in the Desert area (which is like the Wild West), a hillbilly in the Forest area, a policeman in the Town area, and as both a wizard PLUS a black knight in the Avalooney area, and as the notorious Bushwacker Sam in Tasmania. The player collects character pieces (represented by stars) to unlock or Rank Up the characters.

You collect other cartoon pieces (such as dynamite or carrots for example) in ever growing quantities to level up the abilities of the characters, plus you can earn or buy in microtransactions Level Up potions to level the characters from Level 1 to whatever level you are able to achieve through play (NOTE: Characters can not level up further than the game level. So at Level 44. characters can ONLY get to Level 44). All these different ways to increase your characters game standing increases their power and

your ability to attack both in-game challenge teams as well as those of other players.

You can play the Campaign, the major level system in the game. Completing levels will reward you with Illudium (which will get you more character pieces), character pieces, XP, Gold (the main currency), and much more. You can play Brawl (unlocked at Level 8), which pits you against other players from around the world. You can also play Arena (unlocked at Level 10), which places you against two other players, which you must compete with in 10 minutes.
